Dr. Raul Ysasi, Principal • Enrollment: 25

Ottawa 2nd Shift High School offers a non-traditional setting designed for students (16-20 years of age) who cannot attend school during normal hours.

It offers a setting conducive to a student's biological clock, child care needs and job situations.

Ottawa 2nd Shift provides credit recovery classes for traditional high school seniors who need additional credits to graduate. It also offers GED preparation classes.

Mission Statement

Our mission is to ensure that all students are educated, self-directed and productive members of society.

Parent & Community Engagement

Parents strongly agree that the school provides a safe and orderly environment; that their child feels comfortable and welcome at the school; that the principal and staff encourage parent involvement and values their input; and that the principal and staff communicate with them on a regular basis regarding their child's progress, behavior and attendance.

Parents agree that the school's focus on improving reading skills and attendance is right and declared their support.

Parents who did not attend Parent-Teacher Conferences were contacted by phone, home visits, etc. Goal is to increase participation by 35% for the 2009-2010 school year.
